BAND, CHORAL-VOCAL, STRING, COMPOSITION AND MUSIC INDUSTRY CAMPS
JULY 19 – 23, 2020
Rowan University Summer Music Camps are an exciting way for students to immerse themselves in a specific area of musical interest. The Band, Strings, and Choral-Vocal Camps are instructed by the region’s finest music educators and performers. Students participate in large and small ensembles, experience challenging quality repertoire, and have lessons with world-class faculty. The Theory/Composition Camp guides participants in bringing their own musical ideas to life. Finally, the Music Industry Camp is a cutting edge adventure into the fields of music technology and music business.

The Summer Music Camps are conducted in a safe and invigorating environment. We welcome students of all levels and abilities.

Evening events feature performances by our esteemed faculty, and Thursday’s final concert is an exciting culminating event in which all campers perform onstage. Please join our fantastic team of students as we gather for another unforgettable summer of music making.
