Description:

First Steps in Music: These classes are a fun, engaging and developmentally sound way to prepare children aged 2-6 years old for a musical life. Children will become:

1. Tuneful: to have music in their heads and learn to sing that music
2. Beatful: to feel the beat of music and how that beat is grouped
3. Artful: to be moved by music in the many ways music can bring about an emotional response.

There are three 10-week semesters First Steps classes. Each class is 45-minutes in length and must be attended by the child **and** their caregiver.
